Euphoria

BLC4

The Baby Lock Euphoria cover stitch machine brings you to a new level of sewing experience. With ExtraordinAir® Threading system, which threads the chain looper with just the touch of a button.

The Needle Automatic Thread Delivery System you can thread the needles in any order and be ready to stitch with no tension adjustments.

Convenience to handle on large projects with a wider sewing space. Enjoy the sewing time with Baby Lock Euphoria.

ExtraordinAir THREADING

Unprecedented Cover Stitch
Experience with Euphoria

Needle Automatic Thread Delivery™ (ATD) System

The Euphoria delivers a balanced stitch on any fabric with any type of thread with no needles tension adjustments.

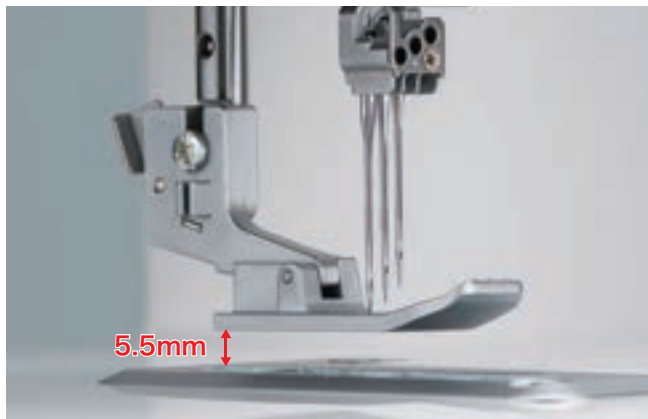

ExtraordinAir® Threading

With just a simple press of button, ExtraordinAir® instantly takes thread through the loop. Threading has never been this easy!

Needle Threading System

Using the needle threader for quick and easy threading of each needle with just 3 simple steps.

Adjustable Presser Foot Height up to 5.5mm

Euphoria features a higher presser foot height (5.5mm) to effortlessly handle thicker and loftier fabric.

Drop Feed System

When you raise the presser foot, the feed dogs lower automatically which helps thick fabrics fit under the presser foot.

Built-In Accessory Storage

Storage of tools such as screwdriver, tweezers, etc. A magnet plate on top of the storage provides a stable place for needles.

Differential Feed

The Differential Feed System create gathering and stretching effects for different type of fabrics.

Knee Lift

Raise the presser foot by simply moving the attachable lever with your knee. This leaves both of your hands free for extra control on stitches.

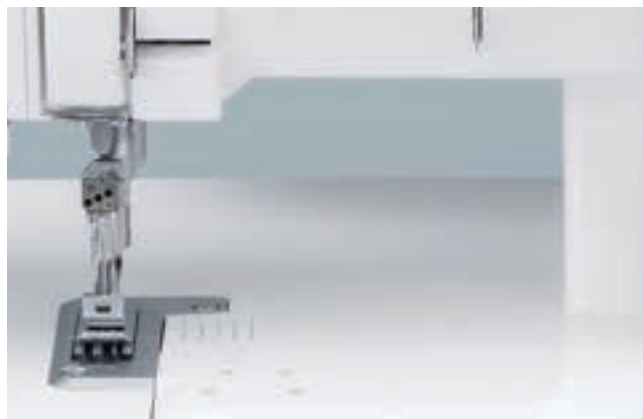

Safety Device

Euphoria can't start sewing with any situations below.
1.Presser foot in up-position. 2.Side cover open.
3.Front cover open.

Cover Stitch Chaining Off

Euphoria creates chain off the cover stitch which give a simple and easy finish.

Wider Sewing Space

Convenience to handle on large projects with a wider sewing space.

Tubular Looper

The tubular looper protects the thread with no exposed thread guides.

Pure Lighting - 3 LED Lights

Three bright LED lights let you see the stitch, fabrics and threads clearly.

Convenient Presser Foot Lever

An easy-access presser foot lever on the right side of the machine lets you quickly make adjustments.

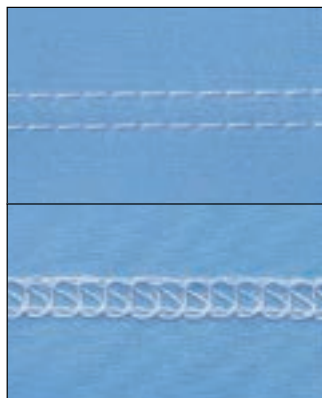

Chain/Cover/Looper Tension System

A convenience dial for adjust the tension of the chain/cover stitch looper thread.
